

Westbrook School Department Dog Policy

It is Westbrook School Department's policy that the only dogs allowed to be on school property are service dogs. Due to the potential for unexpected attacks on other dogs or children no other dogs are allowed on school grounds. The exception to this is at Westbrook High School, where dogs may be allowed on the exercise/walking trails/access road. However, these dogs must be on a leash and waste needs to be disposed of appropriately.

Westbrook Soccer League would like to ask all of its members to consider that many of the schools and parks where our away games will be located may have similar policies. Remember that at these soccer events there are many young, loud and very active children running around the fields. Even though your family's pet dog may never have showed signs of aggressive behavior, in unfamiliar places, with extra stimulation and possibly other dogs unexpected bites/attacks can happen. So please, try to make alternative plans for your dogs.

Thanks in advance,

Westbrook Soccer League
