

# It's Soccer Time!

Summer is over. The kids are back to school. It is time for Fall Soccer!

The Westbrook Soccer League is excited to invite you to join us for our upcoming fall season! We are a recreational soccer program focused on teaching the game of soccer, helping young people learn good sportsmanship, and gain self-confidence. Teams range in size between 8-12 players and are instructed by trained coaches with safety and fun being our priority. We believe a sports experience free from performance demands allows our players to explore sports as a medium for good character development.

The Westbrook soccer league is a nonprofit organization. We have been providing an invaluable service to our community for over 30 years. We are very pleased to offer this 8 week experience for still only \$40. This is due in large part to our very generous local business sponsors.
